Normal 0 21 **The second part of the Basics of manual medicine was held in “Sveti Duh” hospital, Sveti Duh 64, Zagreb and I have to admit it was extraordinary. The pause after the first part we made up by a small repetition and continued where we left off. Dr. Smešny, good as always and still with a lot of knowledge which she is ready to share. Movement in joints, why they block, how to discover the blockage, manual testing of the joints separately, soft tissues techniques, etc. I bring you a part of the atmosphere:**
